

PREMIER HEALTH MEMBERSHIP COSTS

Name: Steven Higa Date: 10/13/2020

Our program fees are designed to give you access to the latest therapies available to help you reach your health goals. Our goal is to help you live as well as you can for the rest of your life... at the most reasonable financial cost.

Please initial on each line below indicating your understanding of our program fees.

New Patient Consultation

Includes: 1) Lab Test & 2) Interpretive Review.\$595

Note: Review is with your physician and covers all test results.

Medical Services Fee and Laboratory Services Fee (with a 12-mo commitment)

The Medical Services fee (\$2,360) provides access to the medical staff, plus unlimited office visits, planned office visits as requested by your doctor at your second visit, and your customized Longevity program uniquely designed for you. The Laboratory Services fee (\$2,380) covers most of your laboratory work.* Each of these services can be paid together in one monthly payment or you can pay for the entire year:

SH Monthly Payment for Medical Services Fee and Laboratory Services Fee.\$395

OR

SH Annual Payment for Medical Services Fee and Laboratory Services Fee.\$4,740

SH Payment per person with couple's discount is 10% off.\$4,266 (\$355.50/mo)

SH Should you pay this fee upfront for the year, we will extend a 5% discount.\$4,503 (Individual)
\$4,052.70 (Couple)

Medication and Supplement Costs

The LMC Program involves products designed to help your body attain optimal health. These costs are determined by an individual's customized program.

SH Baseline supplements Additional \$800 - \$2,000

SH I understand that Longevity Medical Clinic's services are not reimbursable under Medicare billing codes, and therefore will not be covered by Medicare.

SH Also, I understand that should I join, I will assume responsibility for insurance reimbursement.

Note: prices and discounts are subject to change at any time.

**For additional information, please see the menu of Laboratory services covered in the patient handbook.*
